You either love Andrea Camilleri or you haven't read him yet. Each novel in this wholly addictive, entirely magical series, set in Sicily and starring a detective unlike any other in crime fiction, blasts the brain like a shot of pure oxygen. Transporting. Long live Camilleri, and long live Montalbano. A.J. Finn, #1 New York Times bestselling author of The Woman in the Window

The Shape of Water is the first book in the sly, witty, and engaging Inspector Montalbano mystery series with its sardonic take on Sicilian life. Silvio Lupanello, a big-shot in Viga ta, is found dead in his car with his pants around his knees. The car happens to be parked in a part of town used by prostitutes and drug dealers, and as the news of his death spreads, the rumors begin. Enter Inspector Salvo Montalbano, Viga ta's most respected detective. With his characteristic mix of humor, cynicism, compassion, and love of good food, Montalbano battles against the powerful and corrupt who are determined to block his path to the real killer. Andrea Camilleri's novels starring Inspector Montalbano have become an international sensation and have been translated into numerous languages.

La questione sociale nei romanzi storici di Andrea Camilleri rappresenta la prova finale, discussa nell'ottobre del 2014, con la quale il lettore ha consolidato la sua laurea. Come dice il titolo, si tratta di un saggio incentrato sull'analisi dei principali scritti di carattere storico nati dalla penna dell'autore di Porto Empedocle (analisi supportata dallo studio delle fonti che hanno generato tali romanzi), dalla quale si è emerso il modo in cui Camilleri, nelle sue opere, affronta i temi che da tempo immemorabile affliggono la meravigliosa terra di Sicilia e la sua società. Rosario Parisi (Modica, 1989) è laureato in Lingue e Letterature Straniere presso l'Università degli Studi di Catania. Scrive racconti e poesie, pubblicati da varie case editrici, con i quali ha conseguito riconoscimenti in diversi concorsi letterari.

A wave of refugees has arrived on the Sicilian coast, and Inspector Montalbano and his team have been stationed at port. But while on duty the dock one late night, and a seamstress is found gruesomely murdered. Between managing the growing crowds at the landing, Montalbano delves into the world of garments where he works to weave together the loose threads of the unsolved crimes and close the case. Questo e-book contiene tutti i romanzi di Viga ta e altro ancora pubblicati dalla casa editrice Sellerio: ventitré tra romanzi storici, cronaca e fatti diversi. This is the first comprehensive reference work in English dedicated to the writing of world-famous Italian mystery writer Andrea Camilleri. It includes entries on plots, characters, dates, literary motifs, and themes from the bestselling author's detective stories and television crime dramas, with special attention given to the serialized policeman Inspector Salvo Montalbano, Camilleri's most famous character. It also equips the reader with background information on Camilleri's life and career and provides a guide to the writings of reviewers and critics.

Los miles de lectores que disfrutan con cada libro de Salvo Montalbano, el entrañable personaje creado por Andrea Camilleri, se han dado cuenta de que este autor mé s leí do de Italia... encontrar n en esta ocasión n una serie de relatos en los que el peculiar comisario siciliano, sabio intrepre te del crimen, tras un caso igual de sangriento, no sólo hace un análisis de lo que sucede en la ciudad, sino que también es consciente de su ciudadanía. En este libro n m á s de cincuenta narraciones, suceden las fases de una investigación que se resuelve con un final inesperado. Monarcas, pistoleros, torturado por la idea de que su estado de ánimo influya en la ecuanimidad de sus fallos, o esa esposa cuya fidelidad es sometida a votación popular mediante carteles colgados en los muros de su pueblo. Y para coronar esta divertida colección n, el relato que da título al libro encontramos a Montalbano a punto de celebrar la Nochevieja, sumergido en un fuerte ataque de melancolía a despe de su de la ené sima discrepación con Livia, su eterna novia genovesa. Milan. Bianca's curiosity gets a young university student murdered, but not before he gives her a file that details a secret weapon under development with defense contractor Adastra. Guilt may drive her to find justice for the slain Charlie Brooks, but she is warned by the mysterious Loki to stay away from this case that runs deep with conspiracy. Bianca must find a way to uncover government secrets and corporate alliances without returning Italy to one of its darkest hours, the decades of daily terrorism known as the "Years of Lead." Scorching novel from a star of Cuban defense contractor Adastra. Italian Futurist Theatre provides an overview of the theatrical activities of the Italian Futurist movement, headed by F. T. Marinetti. It analyses the theory and practice of Futurist performance, covers the theatre work of all leading artists and writers of the movement, and discusses the main aims and achievements of their theatrical experiments. The main focus of the study is directed towards reconstructing the performance history of Futurist theatre. But it also incorporates aspects of dramatic writing, stage and costume design, theatre architecture, dance and opera, and is heavily illustrated.

In this dark yet humorous novel based on a true story, a man uncovers a sordid conspiracy in a Sicilian village, but not everyone wants to know the truth. Lawyer and journalist Matteo Teresi discovers the existence of a secret sect whose members include priests, politicians, and regional VIPs. During the early morning hours, when the town's churches are closed, the "Sect of the Angels" meets in the sacristy to carry out their holy office: initiating devout virgins into the rites of married life. Preying on their victims' naiveté, the hooded "elect" commit ignominious acts while promising the young women divine grace. In 1901, at a time of immense changes in Sicilian society, the scandal breaks nationwide. But far from being hailed as a hero, Teresi is accused of disrupting the status quo and irrationally blamed for an outbreak of disease and a series of calamities. From the salons, churches and social clubs of Sicily to the country's highest courts, Camilleri's novel is a fast-paced, at times funny, passionately rendered portrait of the machinations of power and the difficult destiny of a local hero. Praise for The Sect of Angels: "A devastating portrayal of how political power, the mafia, Catholic cover-ups, and family shame kept rural Sicily in a medieval time warp long into the twentieth century." — Foreword Reviews
