This text offers accessible but comprehensive coverage of all aspects of torts law likely to be encountered in a student course, including nuisance, defamation and the economic torts. The chapters on negligence focus on the civil liability legislation enacted throughout Australia, particularly in respect of the standard of care and breach of duty, causation and scope of liability defences and assessment of damages for personal injury and include discussion of case law under this legislative regime. This quick reference guide for civil litigators summarizes the legal requirements of virtually every cause of action based in tort recognized in Maine. The authors bring it all together for you - the cases, the statutes and applicable procedural rules. The common law and statutory requirements for each cause of action are examined in detail and the law of other states is referenced where Maine law is lacking or where useful comparisons can be made. The authors discuss the principles underlying tort damages, as well as tort liability. Maine Tort Law is the ideal place to begin your research and saves you hours of time in the library. A quick review of the appropriate section of this manual will enable you to focus in on the relevant facts and critical issues of your client's case. Whether you are conducting the investigation, preparing your pleadings, drafting interrogatories, or getting ready for trial; this book will get you instantly to the information you need. This eBook features links to Lexis Advance for further legal research options. Authored by experts in various facets of civil litigation and reviewed by general editor William C. Bochet, LexisNexis Practice Guide New Jersey Trial, Post-Trial, and Appellate Proceedings offers quick, direct, New Jersey-specific answers to questions that arise in day-to-day civil litigation practice. Topically organized, LexisNexis Practice Guide New Jersey Trial, Post-Trial, and Appellate Proceedings covers a range of civil practice issues and takes task-oriented approach to each subject in its action-oriented section.
headings (e.g. Moving for Relief in Limine, Preparing for Direct Examinations of Experts at Trial, and Making Objections or Requests for Curative Instructions) and multiple checklists in each chapter that guide the reader through each step of a task. This publication covers critical topics such as jury charges, bench trial, opening statements, burdens of proof, trial motions, party and non-party witnesses, expert witnesses, summations, and bringing appeals. It includes numerous practice tips (Strategic Point, Warning, Timing and Exception) to ensure best practices and help the attorney make choices, avoid practice pitfalls and recognize important time limitations and exceptions to general rules. The online product includes practice forms. This invaluable study guide provides a contemporary and accessible foundation for the study of all key aspects of international law. It covers the fundamentals of theory and practice and highlights issues of particular relevance to Australia.

Format: Paperback

It covers the fundamentals of theory and practice and highlights issues of particular relevance to Australia.

Features:
- Includes key cases and commentary to simplify revision and exam study
- Clear summaries assist students to understand and retain key principles
- Compact and portable - great for open book exams

Australian Administrative Law aims to make Australian administrative law accessible, bringing structure and clarity to a department of law that has become increasingly complex. The full domain of administrative law is addressed. At its core is a concise analysis of the principles applied in judicial review, supported by detailed reference to federal, state and territory case-law relating to justiciability, standing, excess and abuse of power, jurisdictional error, procedural fairness and remedies. Separate chapters are devoted to rule making, open government (including freedom of information legislation and duties to give reasons), investigative tribunals and merits review tribunals. At the outset the constitutional framework within which administrative law operates and the theoretical underpinning for measures designed to control administrative discretion and the development of administrative law standards is explained. This provides a foundation throughout for critical reflection upon the principles.

Features:
- Accessible, clear commentary
- Concise and logical analysis
- Comprehensive coverage of all aspects of administrative law
- Addresses theoretical underpinning and constitutional framework
- Consolidates understanding of administrative law principles

Begin exam preparation or revision with this essential tool for success! Simplify your exam study with the key cases and commentary. Remember more with concise paragraphs and bullet-pointed summaries. Make open-book exams easier with this compact and portable text. Each chapter clearly

Features oÂeo Includes commentary and key cases oÂeo Compact and portableoÂeÂ" great for open book exams oÂeo Succinct explanations assist students to understand and retain key principlesThe LexisNexis Skills Series is designed to provide clear and practical guides to key skills required in legal practice. This book deals with legal drafting in general and then in
relation to a number of specific legal transactions, like mortgages, guarantees, leases, etcetera. Chapter 1 is devoted to general principles which are relevant to all legal drafting. Each subsequent chapter deals with a specific area. For good drafting it is necessary to have a sound understanding of the relevant law, combined with an understanding of basic drafting principles. Therefore, each chapter contains an explanation of the applicable legal principles and then relates those to specific drafting issues. Examples of drafting to achieve particular outcomes are also illustrated. This revised work brings an update on new legislation and cases. Also new in this second edition is a chapter on Trusts. The authors have paid special attention to language, and a plain English flavour is used throughout the book. This comprehensive and clearly written Understanding treatise is frequently cited by scholars and courts in their analysis of substantive criminal law, and has been a popular source of assistance to criminal law students for the past quarter century. Understanding Criminal Law is designed to be taught in conjunction with any casebook. The topics covered are those most often raised in criminal law casebooks, and coverage of these subjects is meant to complement professors' classroom discussions. The text focuses on the basic elements of, and defenses to, all crimes; provides in-depth coverage of such crimes as homicide, rape, and theft; and covers other important topics covered in the Criminal Law course, such as accomplice and inchoate liability. Understanding Criminal Law also covers theories of punishment, sources of the criminal law, and overarching principles such as legality and proportionality. The common law is emphasized with extensive comparisons to the Model Penal Code and modern statutes. This edition offers the most significant updating ever, including coverage of quickly-changing legal areas, such as sexual assault and self-defense law. Recent and ongoing revisions to the Model Penal Code are also covered. Thoroughly updated, Louisiana Tort Law is the first book to treat comprehensively tort theory and practice in Louisiana. Cited over 140 times in Louisiana case law and law reviews over the last 4 years, the publication provides discussion and analysis of all significant post-1996 jurisprudence on Louisiana's civil justice reform. Covering all major areas of tort theory and practice in the state, the authors include detailed coverage of intentional torts, negligence, strict liability, absolute liability, and defenses. This eBook features links to Lexis Advance for further legal research options. This updated and revised edition from bestselling ABA author and law-firm technology expert John Heckman covers the newly released Worldox GX4. Never lose another document or waste valuable time searching for one. Learn how to organize your documents, e-mails, PDF files, presentations, and more with Worldox software. The author reveals what Worldox will do for your firm and how to customize its features for the specific needs of your practice. In just one hour, this book will help you: Learn the new features in GX4 Save and search for documents Integrate Worldox with your e-mail Retain old or legacy documents Take documents with you when you're out of the office Customize your screens Troubleshoot Worldox Work with the Worldox Productivity Suite add-on Handle legal holds, document comparison, personnel changes, and more."This book introduces the international legal system in a way that is
lively, thought-provoking, and practical. The work is designed to be teachable and comprehensive. Each chapter is introduced by a problem or case-study drawn from actual situations, events or cases. The book includes such cutting-edge issues as: the use of force against non-state actors on the territory of third states, climate change, peacekeeper accountability, ozone depletion, and failed states. It challenges students to thoughtfully examine current events, including the legality of Iran's nuclear program, Kosovo's declaration of independence, the international prosecution of Charles Taylor, the arctic "underwater land rush", and combating piracy off the coast of Somalia. Students are asked to utilize the materials in the chapter in determining the legal regime that governs the problem and seeking solutions through critical analysis. Relevant documents are included in the chapters themselves to encourage students to read and apply them. The most basic documents in the field are contained in annexes. This eBook features links to Lexis Advance for further legal research options. Selected extracts and readings with commentary; expands coverage with the addition of choice-of-law codification and choice of law in the international arena. The proven Glannon Guide is a user-friendly study aid to use throughout the semester as a great supplement to (or substitute for) classroom lecture. Topics are broken down into manageable pieces and are explained in a conversational tone. Chapters are interspersed with hypotheticals like those posed in the classroom that include analysis of answers to ensure thorough understanding. Additionally, "The Closer" questions pose sophisticated hypotheticals at the end of each chapter to present cumulative review of earlier topics. More like classroom experiences, the Glannon Guide provides you with straightforward explanations of complex legal concepts, often in a humorous style that makes the material stick. The user-friendly Glannon Guide is your proven partner throughout the semester when you need a supplement to (or substitute for) classroom lecture. The material is broken into small, manageable pieces to help you master concepts. Multiple-choice questions are interspersed throughout each chapter (not lumped at the end) to mirror the flow of a classroom lecture. Correct and incorrect answers are carefully explained; you learn why they do or do not work. You can rely on authority; the series was created by Joseph W. Glannon?Harvard-educated, best-selling author of, among other legal texts, Examples and Explanations; Civil Procedure, now in its sixth edition. "The Closer" poses a sophisticated problem question at the end of each chapter to test your comprehension. A final “Closing Closer” provides you practice opportunity as well as a cumulative review of all the concepts from earlier chapters. You can check your understanding each step of the way. More like classroom experiences, these Guides provide straightforward explanations of complex legal concepts, often in a humorous style that makes the material stick. Skills & Values: Discovery Practice is designed to serve as an introduction to the practical application of the discovery rules. The book and the companion Web Course introduce each discovery topic briefly and then provide a context and structure for exercises and self-study. Skills & Values: Discovery Practice can be used by a professor teaching a full pre-trial course, or one focused just on discovery law. It can
be used alone or in conjunction with another pre-trial text. It can be used with the problem set provided in the appendix and in the Web Course or with a professor's own problem set. It also can be used in a mentorship program in a civil litigation law firm. Each chapter of the book offers an introduction to the key aspects of discovery and then offers exercises that focus on the governing Federal Rule of Civil Procedure (FRCP). The chapters are organized in the order that the discovery rules are most commonly used. The exercises at the end of each chapter ask the student to put the governing rules into action by actually drafting the discovery documents described in the preceding chapter. The book covers the following topics:

- Planning for Discovery
- Initial Disclosure
- Interrogatories and Answers to Interrogatories
- Document Requests and Answers to Document Requests
- eDiscovery
- Motion to Compel Production
- Expert Witness Disclosure
- Depositions of Fact and Expert Witnesses
- Requests for Admission and Answers to Requests for Admission
- Motion in limine
- Settlement

The eBook versions of this title feature links to Lexis Advance for further legal research options.

Wrongful Use of Civil Proceedings and Related Torts in Pennsylvania is a comprehensive review of the body of law upon which wrongful use litigation is built. Compiled by author George Bochetto of Bochetto & Lentz, P.C. and his colleagues, it is based upon years of experience and a close study of the jurisprudence. The fifth edition of BUTTERWORTHS STUDENT COMPANION: LAND LAW contains concise summaries of leading New Zealand and international decisions covered in the study of land law. This is an invaluable, easy-to-read reference tool that is designed to be used in conjunction with lecture notes and existing text materials. With the inclusion of a number of new cases and updated summaries taking into account the Property Law Act 2007 passed since the last edition, this new edition is an invaluable study aid.
